Our volunteers and staff continue toward achievement of this year's "Y Partners" Campaign—our annual fundraising initiative to fund camper scholarships, program refreshment and staff training. Y Partners makes Ihduhapi accessible to all.

Our fundraising goal for 2010 is \$90,000 - for camper scholarship, program refreshment and staff training. As of March 17, 2010 we have raised \$69,023.

We can't achieve this goal without the support of our alumni, camper families and friends. Donors are spirit that keeps camp open to all kids—regardless of their ability to afford the full camp fee. We are continuing this important work so that our scholarship funds are ready when campers are. We hope you will join us and contribute when you are approached by one of our volunteers or staff members.

It is easy to make a contribution to the Y Partners campaign by using the following portal:
